Creative Mode adds the ability to complete achievements and earn titles. These additions will make the Stages even more challenging.

Expand the ways you can have fun in Creative Mode. Print out a copy of the sheet on the next page.

Completing Achievements

After completing an achievement, check the box next to it to show it is complete. There are easy achievements, such as "Eternal Decks you've acquired" and "Jewel recipes you've used." There are also difficult achievements, such as "Have a maximum hand size of nine cards." Aim to complete all achievements.

Earn Titles and Customize Your Stage

There are two types of titles:

Titles - All Players

These add extra challenges when playing a Stage.

When one of these Titles are selected it impacts all players.

Titles - Individual
